

# SOLO & DUO REGISTRATION

If you are interested in doing a solo or duo, you must fill out this form and have it turned into the office no later than June 8th. You must have been on a competition team for a year in order to do a solo. All solos or duos must be **complete by the 1st of October**. We feel this will benefit both the dancers and their instructors. Dancers will feel more confident in their dances and this will provide more practice time with the instructors.

Please make all payments to the office payable to your instructor. The dance **must be paid in full before any rehearsal takes place**. This insures the instructors get paid for their time.

\* You will receive 4 practices and the choreography for this set price. Any additional practices will be:

**\$25 an hour paid directly to your choreographer at time of practice. Absolutely NO I OWE YOU.**

\* **There will be an additional 1 time yearly studio rental fee of \$35.00** for the use of the studio to learn & practice solos.

**This must be booked & paid for through the office.** ( Ask your instructor for dates that work for them then book it with the office.) If you no show your account will still be charged.

\* All costumes must be chosen and paid for by **October 31st** if going through the studio. You can purchase these for \$10 over our wholesale cost.

\* **Due to the large amount of soloists and the time constraints of our recital, not all solos will be able to perform at the recital. If you high point or , you may be selected to perform at the June Recital.**

\* Music Cut: You can pay to have the studio cut your music for \$20.00. This will provide an emailed copy of your music. YOU are responsible to make 2 back up copies for yourself to take to competition and to use at the studio.

\* YOU are responsible to register your own dancer for each competition. The studio does not do this for you. Solo Competition fees run from \$75-\$110 per competition. You are also responsible to get your dancer on and off stage at each competition. **If you want an instructor, you need to book them in advance and pay them \$25 for the hour.**

\* **Remember you are responsible to take a copy and a back up of your music, and turn it in at all competitions.**

\* If you need help finding music ask the Instructor for ideas.

\* There will be no running solos before or after class unless you have the studio reserved and have paid for a private with your instructor.

You may choose between an Instructor or a member of our Senior Pro Team. Please write down your top 3 choices and we will get back to you after we consult with the Instructor/Senior to see if they are able to do the solo or duo. **Please don't approach the instructor.** The office will do this for you.

\*All fees are due **to the office** by July 1st or your 1st solo practice whichever is 1st. If you do not pay by then your spot will be given to someone else so that choreographer can fill their schedule. *detach and turn in bottom half to the office*
