

SOLO & DUO REGISTRATION

If you are interested in doing a solo or duo, you must fill out this form and have it turned into the office no later than June 2nd. You must have been on a competition team for a year (at our studio or another studio) in order to do a solo. All solos or duos must be complete by the 1st of October. We feel this will benefit both the dancer and their instructor. Dancers will feel more confident in their dance and this will provide more practice time with the instructor.

Please make all payments payable to your instructor. The dance must be paid in full before any rehearsals take place. This ensures the instructors get paid for their time.

* You will receive 4 – 1 hour practices to learn the choreography for this set price. Any additional practices will be **\$35 an hour paid directly to your choreographer at time of practice. Absolutely NO I OWE YOU.**

* **There will be an additional 1 time yearly studio rental fee** of \$50 for the use of the studio to learn and practice solos. This must be booked and paid for through the office. (Ask your instructor for dates that work for them then book it with the office.) If you no show, your account will still be charged.

*All costumes must be chosen and paid for by **October 31st** if going through the studio. You can purchase these for \$10 over our wholesale cost + shipping. For any returns or exchanges, the shipping and return fee will be paid by you, along with a \$5 office fee.

* Due to the large number of soloists and the time constraints of our recital, **solos will NOT perform at the recital or showcase.**

*Music Cut: You can pay to have the studio cut your music for \$30.00. This will provide an emailed copy of your music. YOU are responsible to make 2 backup copies for yourself to take to competition and to use at the studio.

* YOU are responsible to register your own dancer for each competition. The studio does not do this for you, except for a couple competitions that can only be registered for through us. Solo Competition fees run from \$90-\$120 per competition. You are also responsible to get your dancer on and off stage at each competition. **If you want an instructor, you need to book them in advance and pay them \$35 an hour.**

*Remember you are responsible to upload your music and take a copy and a backup of your music at all competitions.

*If you need help finding music, ask the instructor for ideas. **MUSIC CHOICE MUST BE CLEARED THROUGH THE OFFICE!!!** If you choose a song that is the same as a team, you'll need to pick something else. If you choose a song that has already been chosen by another soloist, you'll need to pick something else. **Whoever turns it in first, is the one who gets to use it.**

* There will be no running solos before or after class unless you have the studio reserved and have paid for a private with your instructor. You may choose an instructor listed below. Please write down your top 3 choices and we will get back to you after we consult with the instructor to see if they are able to do the solo or duo. **Please don't approach the instructor.** The office will do this for you.

*If you want to do extra solo competitions or conventions beyond the 5 the studio goes to, they will only be allowed during the weekends of Spring Break and one other weekend set aside by the studio. The weekend will be determined after we choose our comp dates. Solo competitions are not being held on weekdays along with weekends and they are interfering with our studio class and choreo time. We can't have dancers missing every week to do solos. Please initial that you read this statement and. _____
